November 20, 2020

Dear Member:

At the November 17, 2020 Sheet Metal Workers (SMART) Local #24 Regular Meeting, the membership voted to cancel Regular Meetings for December 2020, January 2021 and February 2021. This is done out of an abundance of caution and after careful consideration of Governor Mike DeWine's continued restrictions on large public events due to the COVID-19 pandemic.

In addition, the local union offices may be locked down in the future and Local #24 officers and office staff may be working remotely on staggered schedules so that we may continue to maintain a safe working environment for our staff while allowing us to provide crucial services to our membership. We will be posting future updates via our website, so please visit us at smw24.org.

The health and wellbeing of our membership, officers, office staff and community must come first.

Fraternally,

A handwritten signature in black ink that reads "Rodney French".
